5K Walk/Run

Saturday, June 27th, 2009

Jimi Gubelli was taken from us suddenly on December 19th, 2008. He was a true gentleman in every sense of the word. He showed compassion and charity in everything he did. Jimi was a part of many volunteer organizations and served each one of them wholeheartedly. The Jimi Gubelli Foundation has been created to honor and preserve his legacy of selflessness and charity, and all donations will provide scholarships for future young adults who exemplify that legacy.
